**4. FENCING REQUIREMENTS**

The Fencing of Swimming Pools Act 1987 requires that all pools exceeding 400mm in depth be fenced.  
 Specific details regarding this legislation are available from the Council office.  
 The Water Supply Protection Regulations 1961 also requires that all domestic properties with swimming pools, with a capacity exceeding 4,500 litres, have a non return assembly fitted within the water supply line to that property.
