

WAIKATO REGIONAL AIRPORT LIMITED – COMMISSIONER DECISIONS

NOTES TO TRACK CHANGES

The Hearings Commissioner decisions on the applications by Waikato Regional Airport Limited (WRAL) did not include track change versions or updated planning maps of the Plan amendments as these involved multiple provisions over three District/City Plans.

The three councils have prepared track change versions of their respective District/City plans and these are available for download from the website.

For the Waipa District Plan and the Waikato District Plan, the amendments have been shown in underlined red highlight. To assist with the readability of the text, deletions have not been shown.

For the Hamilton City Operative District Plan, the primary changes to the text are deletions regarding the noise boundaries. The deletions are shown in black strikethrough with the new text shown in red underline.

If you have any questions on the decisions and statutory process, then you may contact Tracee Berry Tracee.Berry@waipadc.govt.nz or 07 872 0034. Please be advised that Council is not able to give advice on any matters which may be related to an appeal.
