

Waipa District Council
Cambridge Community Board
Cambridge Subdivision
Electing 4 Board Members

Elise BADGER

My principal place of residence is not in the Cambridge Subdivision area.

Kia ora! I am a local business owner, solo parent of two young children and so proud to call Cambridge home. I have served as a Cambridge Community Board member since 2019 and

brought enthusiasm, strategic thinking and imagination to the board table - it's fair to say I am ready to ask the tough questions. In my role with the board, I was instrumental in developing the Pop Up Edible Garden Project which provides free access to edible food for locals, and through effective advocacy, we saw a major goal achieved with the removal of library borrowing fees. I learnt a lot during my first term and am keen to bring those learnings into a second term. I believe the board can and should advocate for the needs of our Cambridge community and would count it a privilege to champion those needs on your behalf.
