

Waipa District Council  
Cambridge Community Board  
Cambridge Subdivision  
Electing 4 Board Members

---

**Krystie BRICKLAND**

My principal place of residence is in the Cambridge Subdivision area.

I was born and raised in Cambridge and after 13 years in Australia have moved back to be closer to family. I live and work locally and look forward to raising my family here.

Over the years I have been involved with events, staff training, and change management at both a systems and people level, and have an eye for process continuity.

I am concerned about the direction in which New Zealand is heading, and want to make sure that the future will provide for my children, and our future generations. Cambridge is growing at an alarming rate, and I think it is imperative that our kids are catered for in the way of access to safe water, sufficient parks, and other community facilities. I am also concerned about 3 waters legislation.

That is why I am standing for the community board and asking for your vote.
