Electing 4 Board Members

Jo DAVIES-COLLEY

My principal place of residence is in the Cambridge Subdivision area.

I have enjoyed my first term on the Cambridge Community Board and hope to continue serving this amazing town. I have three young kids and my husband is a local vet. The CCB role is about being an advocate for the community and a link between it and the Council. My goal is to continue to have open and available communication with the community and advocate for issues that Cambridge residents feel are important. Some of the work I hope to continue is working with Council to plan more safe cycling and walking pathways, advocating for retaining the village feel of Cambridge while allowing for growth, supporting the plan to revitalise Lake Te Koo Utu, more playgrounds and green spaces, and working alongside social services so all members of our town are supported. I love living in Cambridge and I hope to bring that positive approach to the Community Board.
