Sue MILNER

My principal place of residence is in the Cambridge Subdivision area.

Our Library is the Community Centre of our town (so many people and different programmes there almost everyday!) but it is bursting at the seams, our residents and the library staff deserve better.

Playgrounds are important to all of us, and as more houses are now on smaller sections, we need more playgrounds and open spaces for our children, within walking distance of their homes. We have many great groups in our community such as the Tree Trust, the Council of Social Services, the Chamber of Commerce and many others, all make a great contribution and deserve the support of the Community Board. We are all Cambridge, a great place to live, work and play.
