Selina OLIVER

My principal place of residence is not in the Cambridge Subdivision area.

Writing a profile about oneself is tricky. I realise I am meant to talk about being hardworking, dedicated, and friendly I am, what I am, but somehow it seems a little awkward. I know, and my children and partner know how great I am, but to express that in a three-paragraph statement is well, truly awkward. What I can tell you is that I am born and bred Cambridge. Rural Cambridge. Horahora to be exact. Local Hall committee, Football Club and other events have made me a Cambridge Super fan. Being a Cambridge super fan also means I care about this amazing little community, its people, infrastructure and future direction. I would therefore love the opportunity to take that excitement into the Community Board and help Cambridge be the awesome town in the country.
