My principal place of residence is not in the Cambridge Subdivision area.

Hi I'm Micah. I grew up in this here town, played rugby, earned a Cambridge education, travelled, learned more stuff, came back and now here I am, years later with my wonderful family - roots

back in this beautiful Pacific nation.

Why Stand? Answer: dissatisfaction and a book by Vandana Shiva called Oneness v the 1%. (Farmers, you will relate to this). Vandana, a wonderful advocate for humanity, explains how communities can take back control over the decision making that affects our lives, rather than passively accepting directives from central government et al (the 1%), those who wield the money and influence. But there is no directive over the Many if the Many withdraw their consent.

The recent trigger for me was council rubber stamping fluoridation of the Cambridge and Waipa water supply. The scientific evidence says no, I saw no community consultation and no logic. I'm standing for Locals.
