**Cherie WEINBERG**

My principal place of residence is not in the Cambridge Subdivision area.

As a mother of 3 and an employer of 11, I'm heartbroken to see our land indentured with debt and our democracy eroded. I would like to see all New Zealanders come together to restore our world-famous Kiwi spirit where we support, care and fight for each other. I will work hard alongside my community to give the people the voice they deserve. I will make sure that all needs, both great and small, are heard and not dismissed by the councillors. In addition, I will engage our community outside of Council protocol for Working Bee events where we will come to work together the old-fashioned way. As times are getting harder and austerity measures become the only logical choice, we will have to adapt, restructure and support one another in creative ways. With my experience in management and training I have much to offer in times of uncertainty.
