

Waipa District Council
Cambridge Ward
Electing 4 Councillors

Philip COLES

Independent

My principal place of residence is not in the Cambridge Ward area.

It is has been a enormous privilege and honour to be your Elected Councillor over the last 3 years. I believe each day during the term is election time, you have to earn your vote during this time and be out there serving the Community and delivering. Governance is a very important part of being a District Councillor, in some people's eyes being their voice is important, whether this is being the voice on behalf the Community or allowing individuals/community groups an opportunity personally to speak and address their ideas and concerns. I've been a strong advocate to identify a new bridge corridor. This very subject will define the future of our town. There is real urgency that this happens before our town grows further. Seeing a orbiter style public transport be implemented for Cambridge. My family love this town and region which we have called home for 159 years.
