Delwyn SMITH

My principal place of residence is not in the Cambridge Subdivision area. I am also standing for Cambridge Ward Councillor.

My name is Delwyn Smith. I live 300m from the Waipa boundary but am passionate about Cambridge.

My concerns are refuse, roundabouts, recreation and democracy.

We are let down by not having a refuse station in Cambridge and we suffer from illegal dumping or inaccessible dumps.

The roundabout by the white church should have a slip lane for those turning left, otherwise bottlenecks can occur when one exit is blocked. Results of roadworks should be measured before using the same designers for future.

I believe youth recreation is sacrificed for cycleways. The motocross track is gone but the council has land sitting. I believe we need legal space for motocross and burnouts off the roads.

I strongly believe those making decisions about three waters need to be democratically elected so they can be held to account.

I'm also running for council, if elected, would serve at that position.
