**Mike MONTGOMERIE**

My principal place of residence is in the Maungatautari Ward area.

I am 52 years old, married to Luci with 4 grown up sons. I grew up on a farm near Cambridge, studied in Dunedin then worked as a commercial lawyer in Wellington for 3 years before returning to the farm. Over the last 27 years I have farmed at Hautapu, Whitehall, Kaipaki and Horahora. I have served on the Cambridge Community Board as the rural representative for the past 3 years, currently represent the farmers of Waipa on Fonterra's Co-operative Council and am a graduate of Fonterra's governance development programme. I have a useful combination of practical rural knowledge and the intellectual ability needed to operate effectively at the Council table. If elected I will bring a strong rural voice to the Council and the skills and experience necessary to help Council perform at a high level.
