

Waipa District Council  
Pirongia-Kakepuku Ward  
Electing 2 Councillors

---

**Bruce THOMAS**

My principal place of residence is not in the Pirongia-Kakepuku Ward area.

It has been my pleasure to represent the Pirongia Ward. I have proven experience to ensure Waipa District Council continues to prosper in a positive manner.

Experience enables me to make good decisions around the Council table. What has happened in the past is easily forgotten, and certainly not understood by new Councillors. Having lived all my life in the Pirongia Ward I have enjoyed many years of community service and have an excellent understanding of the different characters of both urban and rural. I bring a farming and business perspective to Council and aim to further the rural voice and concerns.

I support managed growth whilst protecting our valuable landscapes for future generations to enjoy.

Waipa District Council needs stability, as we continue to make Waipa better than it is today. Council is held in high regard nationwide.

A vote for me is one in the right direction.
