Independent

My principal place of residence is in the Te Awamutu-Kihikihi Community Board Te Awamutu-Kihikihi Subdivision area. I am also standing for Te Awamutu - Kihikihi Ward Councillor.

I am a strong advocate and can promote your issues. I have experience in marketing Te Awamutu at a national level and can make your town and it's attributes something that is the envy of others.

I am able to raise issues that relate to those in the community who need council support. In particular housing for the elderly and disabled. I support the economic and simple alternatives first and want to ensure public money is not wasted and decisions are made with proper public awareness. I will keep you informed and consulted. I can cut through the red tape Your vote for me will give you accountability and responsibility. This town badly needs me to make it known to the rest of New Zealand. I love living in Te Awamutu and see there is work to do in looking after the town and it's people. Let me help you.
