Jill TAYLOR

My principal place of residence is in the Te Awamutu-Kihikihi Community Board Te Awamutu-Kihikihi Subdivision area.

Having been a member of the Te Awamutu Community Board for the last three years, I am really keen to stand for a further term. Listening to what members of the local community want and need is a real passion of mine. I am an approachable and friendly person with a listening ear - and particularly enjoy discussing concerns, new ideas and initiatives with members of the local community. I enjoy being part of the planning process for local projects and ensuring that they are successfully completed. This year I have been responsible for the development of a successful free After School Programme for Intermediate-aged students. I am very proud of the Te Awamutu district - and would like to help promote the enhancement of the entrances to our town - and to support local community groups in making our town even better still for its residents.
