John WOOD

My principal place of residence is in the Te Awamutu-Kihikihi Community Board Te Awamutu-Kihikihi Subdivision area.

Involved with the district for over 40 years, I am a semi-retired drainlayer/plumber. Previously I owned and operated a dairy farm, retraining as a drainlayer/plumber 23 years ago. I am heavily involved in the Waipa community and am a trustee of CommSafe (Community Safety trust) and am on the executive committee of the RSA. I was chairperson of the Pirongia Community Association (11 years). My children attended Te Awamutu College and I have been active in several local community and sporting activities. I am passionate about where I live. My trade experience and involvement with local organisations gives me a strong insight into the needs of our growing community. The Community Board provides the link between the community and the Council and as an advocate for the community I believe I can make a positive contribution.
