

Waipa District Council
Te Awamutu-Kihikihi Ward
Electing 3 Councillors

Andrew BROWN

My principal place of residence is in the Te Awamutu-Kihikihi Ward area.

I was born in Waipa and have lived in Te Awamutu for the last 38 years, working as a chartered accountant and businessman and raising our family here. I have been a Waipa

District councillor for the past 9 years, chairing the finance committee.

I love living in Waipa.

Waipa is experiencing rapid growth requiring careful planning for our towns, villages and rural areas. This means planning for roads, drinking water, wastewater and stormwater but also parks, playgrounds, swimming pools and other community facilities - all things needed to make Waipa a great place to live, work, learn and play - while keeping rates as affordable as possible.

I have no particular agenda or project to pursue. My focus is to use my district knowledge and skills to make the best policy and decisions for you, me and the future of our district.
