I have lived in Waipa for seventy years, Cambridge and Te Awamutu.

Competitive swimmer, Cambridge Swim Club, club coach and learn to swim, High School First XV. Attained the rank of First Dan in judo. Ran a judo Club in Te Awamutu for three years.

I want to dismantle what this council has done, it is so detrimental to the wellbeing of the community. Congested roads and water meters and water restrictions because this council preferred other wants projects, such as cycleway and bike trails and our roads are breaking up due to money going to these projects.

I worked as a Prison Officer at Waikeria for twenty five years and lived in town for thirty years.

Rates increases to cover wants rather than needs and this has to change. I would like to be a part of this change.
