

Waipa District Council
Te Awamutu-Kihikihi Ward
Electing 3 Councillors

Marcus GOWER

The positive choice!

My principal place of residence is in the Te Awamutu-Kihikihi Ward area.

Hi I'm Marcus and I'm asking for your vote again. I live, work and play in Waipa, love being on Council and being able to make our community an awesome place to live. I've been involved

with some great projects, we have new skate parks coming, cycleways and protecting our natural heritage.

Three years rolls around fast and this term in Council has been challenging with Covid, Local Government reforms, waters. I want to be a part of the future and make sure our Communities have their say in our district.
