

Waipa District Council
Te Awamutu-Kihikihi Ward
Electing 3 Councillors

Bernard WESTERBAAN

Independent

My principal place of residence is in the Te Awamutu-Kihikihi Ward area. I am also standing for Mayor and Te Awamutu-Kihikihi Community Board.

I am a proud New Zealander since 1982.

It would be a privilege to be your representative as a Te Awamutu Ward Councillor.

Individuality as well as teamwork is needed to get a wide perspective on matters i.e. no yeah sayers. I would do as Vern Wilson and keep the councillors accountable with robust discussions on all decisions that affect all our ratepayers, knowledge on issues is paramount. Councillors are elected to work for those who elected them.

Council need to keep to core services, slow down growth and do infrastructure first, rates increases to be kept to a minimal and projected levels.

Financially prudent, local government knowledge through work and previous as Te Awamutu Community Board member.

Involved on the BoT of the TA Intermediate School and Treasurer TA Grey Power.

Personal interests: family, family history, football, music and people's welfare.
