KITCHEN FACILITIES

There is a kitchen facility available for hire that contains a zip, fridge/freezer, steriliser, a stove, cups, saucers and plates and various drinking glasses and cutlery.

If you choose to hire the kitchen – there are requirements that you must adhere to:

- The hirer must clean up after use and ensure the kitchen is left in a tidy condition and no items are removed from the premises.
- Ensure both the steriliser and ovens are turned off at the wall after use.
- All consumables stored in the kitchen are for Waipa District Council use only. The hirer will need to supply their own tea towels and consumables e.g. tea, coffee, sugar and milk.

In the event the above conditions are not adhered to – Council reserves the right to refuse future bookings from your group or alternatively on-charge any related costs.

The Kitchen steriliser will need to be turned on 10mins prior to use to be effective. There are detailed instructions on the steriliser as to how to use it.
