## 6. My submission is: (please include the reasons for your view)

Originally this was a main road and track route into town. All the houses in our cluster are about the same age and have stucco, bay windows and verandahs. Though more modern housing has developed in other areas of the street this house in our cluster is often viewed and commented on by public passing by. The visual and physical characteristics make this a popular residence to view. Being over 100 years old it is a property with an historic value. These clusters in Bank St. contain more than 10 sites on both sides of the street. There is also the benefit of a large garden for vegetables & fruit to share with neighbours.

## 7. I seek the following decision/s from Council: (give precise details – e.g. what you would like the wording of a specific provision (or map) to be changed to)

I agree with the Council's decision to be included in the character cluster.

## 8. Signature of submitter (note: a signature is not required if you make your submission by electronic means, however please type your name below)

Signature of submitter: (or person authorised to sign on behalf of submitter)	<i>E. A. Amundsen.</i>	Dated 27-3-23
