

Dog Adoption Application Form

Owning a dog is an enormous responsibility and a lifetime commitment.
 Every dog is unique and Waipa District Council want to ensure that the right home is found for each and every dog we rehome, taking into account the dogs breed and characteristics to help find a long and happy 'forever' home.
 This form is designed for you to tell us about yourself to enable our Animal Control Officers to work with you to match you to a companion that is right for you and your situation.
