

Standard terms and conditions for mobile trading – Waipā District Council

1. This permit is issued in accordance with the Waipa District Public Places Bylaw 2018. Therefore, the permit may be changed or revoked if this bylaw is revised or revoked in such a way that it necessitates this action.
2. This permit can be revoked by Council, without notice, if the permit holder does not adhere to any clause of the bylaw or any other Council rule or bylaw. In this case, the permit holder will not be entitled to any refund of the permit fee or a portion thereof.
3. This permit can be revoked by Council after giving the permit holder 14 days written notice if any situation changes or emerges that necessitates revocation of the permit. A pro rata component of the fee will be paid back to the permit holder.
4. The permit holder will be liable for all costs stemming from any incident or accident caused by their presence on the road or any actions taken by them or the presence or action of any of their employees. The permit holder is responsible for obtaining applicable insurance to cover such costs.
5. The Council reserves the right to change the terms and conditions of this permit. If the permit holder does not agree with any such new terms and conditions, they may cancel the permit and they will be entitled to a pro rata refund of the fee paid for the permit.
6. Council reserves the right to limit the number of traders operating at the same time in any specific area. Areas of high demand for trader use may be subject to a booking system to manager trader numbers. This condition is entirely at the discretion of the Council officer as stipulated in the relevant bylaw.
7. The permit holder is responsible for keeping the trading site clean, neat and tidy. All waste – including refuse, oil and any type of waste water generated by the trader – must be collected and disposed of off-site by the trader. Any oil, refuse or waste water discharged onto a footpath or road verge will result in revocation of the permit.
8. If the trader sells food, an additional Health Registration Certificate must be obtained from Council's Environmental Services Department. The trader must adhere to the conditions of that permit at all times. If the conditions of this Certificate are breached, this Mobile Trading permit will be revoked automatically.
9. The towing vehicle for the mobile stall must be parked off site when operating from Victoria Park, Cambridge to allow more space for other traders.
10. Any signs or stalls must be set back at least two metres from the edge of seal of the road.
11. A distance of at least 30 metres must be maintained from other mobile traders when operating on Pope Terrace/ Cambridge Road. This is to ensure safe parking and to allow large vehicles to pull over. Alternatively the permit holder must position the stall at a specific location as determined by Council's officer. The maximum practical distance must be maintained between the stall and the edge of the road.
