

RESOURCE CONSENT APPLICATIONS

Waipā District Council and the Waikato Regional Council have received resource consent applications as below. As both Councils have determined that public notification is required for their respective applications, this is a combined notice advising of the public notification.

APPLICANT'S NAME: Global Contracting Solutions Limited

LOCATION: 401 Racecourse Road, Te Awamutu

NATURE OF APPLICATIONS:

Waipā District Council (WDC) – Reference LU/0323/21

To construct and operate a 'Waste to Energy' plant, which would burn rubbish that would be used to generate electric power.

Waikato Regional Council (WRC) – Reference APP143988

APP143988	Activity Description
Activity 1: 143988.01.01	Discharge of emissions to air associated with operating a Waste to Energy plant
Activity 2: 143988.02.01	Discharge of stormwater to surface water associated with operating a Waste to Energy plant
Activity 3: 143988.03.01	Deposition of cleanfill associated with constructing a Waste to Energy plant

Resource consents are sought to construct and operate a waste to energy plant, to serve the dual purpose of incinerating waste and generating electricity from the steam produced.

Both applications include an assessment of environmental effects and several technical reports. The Waipā District Council (WDC) application can be viewed electronically at our Te Awamutu Office, 101 Bank Street, Te Awamutu or online via waipadc.govt.nz/wastetoenergyplant. Please contact Waipā District Council's enquiries team on 0800 924 723 if you have any questions about this application.

The Waikato Regional Council (WRC) application can be viewed electronically via <https://www.waikatoregion.govt.nz/APP143988> or at the Hamilton Office, 160 Ward Street, Hamilton. Please contact the WRC enquiries team on 0800 800 402, if you have any questions about this application.

Any person may make a submission on the above applications, but a person who is a trade competitor of the applicant may do so only if that person is directly affected by an effect of the activity to which the application relates that;

- a. Adversely affects the environment; and
- b. Does not relate to trade competition or the effects of trade competition.

Please note: A separate submission will need to be submitted to each respective Council if you wish to provide a submission on both applications.

You may make a submission on the WDC application by sending a written submission to Waipā District Council, Private Bag 2402, Te Awamutu, 3800 or electronically to submissions@waipadc.govt.nz. The submission must be on Form 13. Copies of this form are available on the WDC website: waipadc.govt.nz/wastetoenergyplant

You may make a submission on the WRC application by sending a written submission to Waikato Regional Council, Private Bag 3038, Waikato Mail Centre, Hamilton 3240 or electronically to RCsubmissions@waikatoregion.govt.nz. The submission must be on Form 13. Copies of this form are available on the WRC website: <http://www.waikatoregion.govt.nz/other-consentforms/>.

Submissions close on **Friday 13 October 2023**.

You must also serve a submission on Global Contracting Solutions Limited whose address for service is C/Terra Consultants, PO Box 5028, Frankton Hamilton, 3242, or by email to richard.falconer@terragroup.co.nz as soon as reasonably practicable after serving your submission on Waipā District Council and/or Waikato Regional Council.
